

Linking Systems of Care Coordinator Toolkit
Levels of Stakeholder Engagement

Fill in this matrix with examples of stakeholder engagement activities you currently use, others you have used in the past, and others you feel comfortable trying.

LEVELS OF ENGAGEMENT BY STAKEHOLDER INFLUENCE AND IMPACTEDNESS		
	Degree of Influence on the Current System	
Extent Impacted by Current System or a Change to It	Low	High
Low	TELL THEM – Inform them of what you’re doing	LISTEN TO THEM – Understand the system from their point of view, check ideas with them
High	ENGAGE THEM – Devise creative ways to help them have more influence	WORK WITH THEM – Work closely with these stakeholders if you can
